

TAP HANDLES

Personalized and custom tap handles for you signature event

THE BENEFITS

Choose from designs that can be personalized or one-of-a-kind designs

Made from bamboo, with rich texture and a natural finish

Measure 8" tall with two handle shapes to choose from; can be double-sided

Select from our favorite designs and personalize it with your information or design custom handles for your signature event. These handles are hand-crafted from beautiful bamboo and laser engraved.

At the end of your event you keep the handles. They make wonderful memories for your home bar or special gifts for your guests. We can easily add a special note or name to the back side of the handle.
